

NJGPA Results: Spring 2022 Field Test Administration

Eastern Camden County Regional

December 14, 2022

NJGPA Field Test Legislation

- July 5, 2022, Governor Murphy signed P.L.2022, c.60 (ACS for A-3196/S-2349), which requires the State Board of Education to administer the NJGPA as a **field test** for class of 2023.
- The law also prohibits the results of the NJGPA field test (First Pathway), a substitute competency test (Second Pathway), or portfolio appeal (Third Pathway) from being used as prerequisite for graduation for students expected to graduate in the class of 2023.
- **There is no graduation assessment requirement for any student who is expected to graduate with the class of 2023.**

NJGPA Overview

- NJGPA is designed to measure the extent to which students are “graduation ready” in English Language Arts (ELA) and Mathematics.
 - Administered to juniors in March 2022
- “Graduation readiness” is reported separately for each content component.
 - Scale Score 750 or greater (Performance Level 4 or 5)
- The ELA component is aligned to the grade 10 standards.
- The Mathematics component is aligned to Algebra I and Geometry standards.

Math Spring 2022 NJGPA Field Test – Subgroup Performance

Notable Achievements & Interventions

- Eastern out-performs the state in ELA & Math in both average scale score and percentage of students in “Graduation Ready” groups.
- Anecdotally, teachers are indicating that, while there are still knowledge gaps, classroom environments are more positive and engaged compared to last year.
 - Continuing to make adjustment to pacing to respond to student needs
- Evaluating other metrics to build a more complete picture of student performance
 - Attendance Sept. – Oct. is improved this year compared to Fall of 2021
