Achievements

- Eastern's 2022 scores are competitive with large, diverse high schools across Burlington, Camden, and Gloucester counties.
- Eastern's 2023 scores have shown growth over 2022.
- Participation rate is remaining consistently high.

Interventions

We are taking action this year to improve overall proficiency rates and provide students with the academic interventions necessary to support success on the NJGPA (graduation assessment for juniors).

- Academic and Attendance Interventions through RTI team leads
- Benchmark assessments, curriculum analysis, and data meetings with Math and English teachers
- Evaluating remedial support programs
- Additional Academic Support tutors
- Articulation and data sharing with sending districts
